Finished Size: **19"**

### Instructions:

**Step 1:** Use the E6000 to glue 1 rivoli into 1 twisted rivoli setting charm. Repeat three times to glue 1 rivoli of each color into the twisted rivoli setting charms. Repeat four times to glue 1 rivoli of each color into the rivoli setting charms. Let dry. Set aside.

**Step 2:** Use 6" of Bone wire to string 1 crimp tube and the crystal golden shadow leaf pendant. Pass back through the tube, leaving a loop that hangs about 3/8" below the crimp tube, and crimp. Cover the tube with a crimp cover. Use the other end of the wire to string one 6mm light Colorado topaz crystal round and 1 crimp tube. Place the tube 1/2" from the previous tube. Pass the wire back through the tube, leaving a 4mm loop, and crimp. Cover the tube with a crimp cover.

**Step 3:** Use 6" of Bone wire to string 1 crimp tube, 1 cone (narrow end first), and the olivine aqualine pendant. Pass back through the cone and tube, and crimp. Cover the crimp tube with a crimp cover. Use the other end of the wire to string one 4mm olivine crystal round and 1 crimp tube. Place the tube 1/2" from the previous tube. Pass the wire back through the tube leaving a 4mm loop, and crimp. Cover the tube with a crimp cover.

**Step 4:** Repeat Step 3 using Red Jasper wire, the red magma crystal round, and the red magma pendant. Repeat Step 3 using Butterscotch Imperial Topaz wire, one 4mm crystal copper round, and the crystal copper pendant.

**Step 5:** Use 6" of Red Jasper wire to string 1 crimp tube and one 8x12mm Beige/White Czech Glass Fan Leaf. Pass back through the tube, leaving enough wire so that the leaf can move freely, and crimp. Cover the tube with a crimp cover. Use the other end of the wire to string one 4mm light Colorado topaz crystal round and 1 crimp tube. Place the tube 3/8" from the previous tube. Pass the wire back through the tube, leaving a 4mm loop, and crimp. Cover the tube with a crimp cover. Repeat entire step twice. Set aside.

**Step 6:** Use 6" of Red Jasper wire to string 1 crimp tube and one 10x14mm Olive/Copper Czech Glass Wavy Leaf. Pass back through the tube, leaving enough wire so that the leaf can move freely, and crimp. Cover the tube with a crimp cover. Use the other end of the wire to string one 4mm olivine crystal round and 1 crimp tube. Place the tube 3/8" from the previous tube. Pass the wire back through the tube, leaving a 4mm loop, and crimp. Cover the tube with a crimp cover. Repeat entire step twice. Repeat entire step twice, using Bone wire. Set aside.

**Step 7:** Use 6" of Bone wire to string 1 crimp tube and one 12x14mm Marbled Green Luster Czech Glass Wide Leaf. Pass back through the tube, leaving enough wire so that the leaf can move freely, and crimp. Cover the tube with a crimp cover. Use the other end of the wire to string one 4mm crystal copper crystal round and 1 crimp tube. Place the tube 3/8" from the previous tube. Pass the wire back through the tube, leaving a 4mm loop, and crimp. Cover the tube with a crimp cover. Repeat entire step twice. Set aside.

**Step 8:** Use 1 head pin to string one 13x10mm Butterscotch Czech Glass Maple Leaf and form a wire wrapped loop. Repeat twice. Use 1 head pin to string one 13x10mm Wasabi Picasso Czech Glass Maple Leaf and form a wire wrapped loop. Repeat twice.

**Step 9:** Use 6" of Butterscotch Imperial Jasper wire to string 1 crimp tube and 1 butterscotch maple leaf dangle formed in Step 8. Pass back through the tube and crimp. Use the other end of the wire to string one 4mm crystal copper crystal round and 1 crimp tube. Place the tube 3/8" from the previous tube. Pass the wire back through the tube, leaving a 4mm loop, and crimp. Cover the tube with a crimp cover. Repeat entire step twice. Set aside.

**Step 10:** Use 6" of Butterscotch Imperial Jasper wire to string 1 crimp tube and 1 wasabi Picasso maple leaf dangle formed in Step 8. Pass back through the tube and crimp. Use the other end of the wire to string one 4mm olivine crystal round and 1 crimp tube. Place the tube 3/8" from the previous tube. Pass the wire back through the tube, leaving a 4mm loop, and crimp. Cover the tube with a crimp cover. Repeat entire step twice. Set aside.
