Instructions:

Step 1: Use 2" of Chrysoprase wire to string 1 crimp tube and 3 turquoise rondelles.

Step 2: Pass through the crimp tube again and adjust the wire to form about a 10mm ring. Crimp the crimp tube and cover the tube with a crimp cover.

Step 3: Repeat Steps 1 and 2 five times for a total of six rings.

Step 4: Use 2" of Green Turquoise wire to string 1 crimp tube to the center of the wire. Use 1 end of the wire to string 1 Chrysoprase ring, and then pass back through the crimp tube. Use the other end of the wire to string 1 Chrysoprase ring, and then pass back through the crimp tube. Adjust the ends of the Green Turquoise wires so that there are small loops of wire on each side of the crimp tube, and crimp the crimp tube. Cover the crimp tube with a crimp cover.

Step 5: Repeat Step 4, attaching one end of the Green Turquoise wire to one of the rings used in Step 4.

Step 6: Attach 1 ear wire to the first Chrysoprase ring.

Step 7: Repeat Steps 4-6 for the second earring.
